

Great Progress OF THE
Fisher's Pianos
From a small beginning the Fisher Piano has grown to be not only one of the best known pianos made, but its sale has reached a point where it is nearly double that of any piano manufactured in this or any other country. All this has been accomplished, practically speaking, within the past ten years. Not only this, but it has received the highest testimonials from many of the greatest vocalists and pianists that the world has ever produced. It is in daily use in leading schools and colleges everywhere, and has received highest rewards wherever publicly exhibited.—Chicago Indicator.
We sell the Fisher Pianos, also Decker Bros. and Weber Pianos, Story & Clark and Chicago Cottage Organs, and several other fine makes.

WILCOX IS THE MAN

Hilo Natives Affirm Their Intentions of Barring the Whites Altogether.
HILO, Hawaii, August 23.—The Tribune says: Robert Wilcox and the presidents of the two patriotic Hawaiian societies in Honolulu have been in Hilo during the week herding the lambs into the Independent fold; there may be a few strays who have wandered into the by-ways and hedges and who await the coming of the Democratic hachems, but they are very few.
A prominent local leader of the Hawaiians said to a representative of the Tribune on Monday: "It is the general opinion of the Hawaiians, and one which they will stand by, that they should not take sides with either of the old line parties as against the other. Their interests are almost entirely local, and many of them concern the Hawaiians peculiarly; they will stand on a platform framed to meet these issues and distinct by name from either Republican or Democrat, though wherever the platform of either coincides in spirit and principle with ours we shall be glad to co-operate with them in the work. We are going to stand for local self-government first, last and all the time, and we are anti-Dole to a man. We are drawing the race line in nominations and it has been fully agreed not to nominate any white man for any position—Territorial Delegate, Senator or House member. It is a good deal of a question, this question, and even Wilcox wanted to have Dr. — of Oahu nominated for the House. But it was the opinion of the majority that there should be no exceptions, and this will be rigidly adhered to."
"In that case," said the reporter, "Mr. Loebenstein will not receive the nomination of your party for the Senate."
"No; nor will any man, of Hawaiian blood even, who is allied with either of the regular parties."
"Don't you think," said the interviewer, "that this Chinese Wall style of exclusiveness will result disastrously for you in the end, and that it would be wiser to drop such immaterial differences as color, and anti-haule feelings of retaliation for what you consider, perhaps justly, as oppression and wrongful disenfranchisement, and work with the large political element among the white people, who are just as anxious as you for local self-government and just as strongly opposed to any further continuance of the Dole regime?"
"No," was the reply, "we can control votes enough to elect our men anyhow." He evidently missed the point.
The Independent held their local convention in the old church in Puna on Monday, and nominated the following candidates: For Senators (Puna, Hilo and Hamakua), Henry West, John T. Brown. For Representatives: Wm. Nallima, Jas. Ewaliko, Makakau (Hamakua), S. H. Aheo (Puna). It is understood that Robert Wilcox will be the nominee of the entire party for Delegate to Congress.
PIHONUA LANDS.
HILO, Hawaii, August 23.—The Herald says: Dr. Maxwell and Wray Taylor came up last week for the purpose of investigating the character of Pihonua lands relative to the application of the Hilo Portuguese Mill Company for greater acreage of land for cane. It is understood that after an examination of the forests that he has withdrawn as a candidate, and it is on account of the impression such remarks have made that Col. Parker makes this announcement.
HILO, Hawaii, August 23.—The Hilo papers "went to Honolulu last week on business connected with the opening up of the Oahu lands. Before leaving Mr. Ryan remarked to a Herald reporter that the Settlers' Association would take no steps in injunction proceedings, but would begin a suit in the United States Court. Mr. Ryan returned to Hilo last night.
NOTES, ETC.
Ex-Judge Gardner K. Wilder has leased the spacious offices in the Coney building on King street, formerly used by Judge Little.
Messrs. Wilcox and Kaulla, representing the Independent party, held meetings at the Fishmarket Saturday night and at Nine Miles on Sunday. Both meetings were well attended by Hawaiians, but little was accomplished. Mr. Wilcox recommended John T. Brown and Henry West as Senators from this district and William Nallima and Mr. Ewaliko as Representatives. The speaker called upon the natives to nominate good men irrespective of party, and guaranteed the native vote to support the candidates.
M. M. Norton has been appointed by Judge Little clerk of the Circuit Court of the Fourth Circuit, to succeed Daniel Porter, resigned. Mr. Porter, however, has kindly consented to retain office until the new clerk arrives. Charles E. Hapai, better known as Eddie Hapai, has been appointed deputy clerk of the same court.
Mr. and Mrs. George Ross of Hakalau left yesterday for Honolulu, en route to British Columbia. Mr. Ross is far from well, and his physician prescribes a change of climate as absolutely necessary.

THE BOWING MEN.
Myrtles Said to Have the Lead in the Practice so Far.
The latest news from the rowing camps at Pearl Harbor is distinctly favorable to the Myrtles. They are reported to have come on wonderfully during the last week. The junior crew while practicing one day went over the race course in better time than was made in either the senior or junior race last year.
The crews are at present as follows: Seniors—stroke, Albert Judd; three, Soper; two, Lishman; bow, F. August. Juniors—stroke, Allan Judd; three, Sam Johnson; two, Arthur Giles; bow, Geo. Fuller.
The Healanis went down to Pearl Harbor on Saturday. Their quarters are at Mrs. Johnson's place. They are rowing as follows: Seniors—stroke, Fred Damon; three, Dan Raneer; two, Paul Jarret; bow, John Waterhouse. Juniors—stroke, W. Williams; three, G. Boisse; two, P. Gleason; bow, A. Walcott.
It is probable that a freshman's race will come off on September 15th between crews representing the Myrtle and Healanis clubs. The crews have not yet been decided on and there is hot rivalry to get in the boats.
Among the material available for such a race in the Healanis club are Messrs. W. Johnson, S. Walker, Gibbs, A. Wall, F. Atkins, H. Hapai, J. Catton, and Young. Carl Rhodes is breaking in the crew.
Some of the following would undoubtedly represent the Myrtle club in a freshman's race such as it is proposed to hold: Messrs. E. Kopke, W. McLain, W. Armstrong, George Wright, W. Walker, George Robinson and George Waterhouse.
The Lailanis continue to say little and practice hard and often. There is a growing curiosity as to the calibre of this crew and there are not wanting many of the opinion that the orange and black will at last perform creditably on September 8th. The Lailani crew is: Stroke, S. E. P. Taylor; three, Peter Phillips; two, Carl Peck; bow, Harry Cobb.
